Ordering Seeds

To order seeds, send me a copy of the order form (on the last page of this catalogue) with the varieties of seeds you would like, along with payment. Please include your name, address, and e-mail address. (For small orders, any ordinary sheet of paper will suffice—give your printer a rest!) Please add shipping for all orders.

I will accept money orders, personal cheques and PayPal. Prices are in Canadian funds for Canadian orders, and in US funds for American and international orders.

Shipping

For seed orders: Canada \$3.00 Canadian funds; United States \$5.00 US funds; International \$8.00 US funds.

For root orders: \$7.00 Canadian funds (one root order); \$10.00 Canadian funds (two or more roots orders).

Sorry, due to US federal regulations, I am unable to ship roots to the United States. I have also had to eliminate the shipping of roots overseas, as International Air Parcel service is far too costly!

Please make payment payable to:
